[Issues Resolved:](#)

Description: You encountered the following issues on the Manage Subcontracts screen:

- On the Query dialog box of the Modifications tab and Subcontract/Project Modifications subtask, Modification Description and Effective Date were not included in Search Criteria on the Find tab.
- On the Query dialog box of the Modifications tab and Subcontract/Project Modifications subtask, "Contract Value" instead of just "Value" was used in field names in Query Condition on the Query tab.
- Some fields on the Subcontract/Project Modifications subtask were not available in Query Condition on the Query tab of the Query dialog box for the Modifications tab.
- Only Project, Project Name, and Subcontract Mod ID were available in Query Condition on the Query tab of the Query dialog box for the Subcontract/Project Modifications subtask.

Customers Impacted: This defect affects users of the Contract Management module. **Workaround Before Fix:** None. **Additional Notes:** None.
