### **PJ/CTM/CTMOPP/Manage Opportunities**

[Deltek Defect Tracking Number:](#)

852415

[Issues Resolved:](#)

**Description:** When you entered values in all required fields on the General tab and Activities subtask, and selected the **Completed** check box but left the **Activity ID** field blank on the Activities subtask, the entries on the Activities subtask were not retained when you saved the record.

**Customers Impacted:** This defect affects users of the Contract Management module.

**Workaround Before Fix:** Enter values on the General tab first, and save the record. After saving, retrieve the record, enter values on the Activities subtask, and save the record again.

**Additional Notes:** None.

## PJ/CTM/CTMOPP/Manage Opportunities

### Deltek Defect Tracking Number:

867836

### Issues Resolved:

**Description:** On the Opportunity Teammates subtask on the Team tab, when you added a **Subcontractor** row, entered a prospective vendor ID in the **ID** field, and saved the record, the value in the **Name** field did not display. When you added a **Prime** row, entered a prospective customer ID, and saved the record, the name of the prospective customer displayed in both the **Subcontractor** and **Prime** rows.

**Customers Impacted:** This defect affects users of the Contract Management module.

**Workaround Before Fix:** None.

**Additional Notes:** None.

### Custom Programs Affected:

#### Custom Programs Affected.

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

#### To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

#### More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
