ACCOUNTING/FIXED ASSETS/FAMASSET/Maintain Asset Master Info

[Deltek Defect Tracking Number:](#)

530920

Issues Resolved:

Description: When an asset record was changed from depreciable asset to non-depreciable, an error message displayed with the message, "Unable to write the audit log row." Afterwards, you could not save the data. The error occurred when the **Accum Depr Acct Code** check box on the Configure Asset/Template Change Settings (FAMATCS) screen was selected.

Customers Impacted: This defect affects you if you use the Costpoint Fixed Assets module.

Workaround Before Fix: On the FAMATCS screen, clear the **Accum Depr Acct Code** check box. Modify the asset record.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
