COSTPOINT 7.0 web Hot Fix: cp711_sys_011.zip

ACCOUNTING/ACCOUNTS PAYABLE/APMVEND/Maintain Vendors

[Deltek Defect Tracking Number:](#)

154609

[Issues Resolved:](#)

Description: A system-assigned Vendor ID was provided when a record was saved with missing values in the required fields. When another record was again saved with missing values in the required fields, the next system-assigned Vendor ID was provided. **Customers Impacted:** This defect affects you if you use the Costpoint Accounts Payable module. **Workaround Before Fix:** You can manually enter the previous system-assigned Vendor ID that does not exist in the database. **Additional Notes:** None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
