

Management Console 4.6.101.0 Release Notes

Release Date: December 17, 2025

Welcome to the **Management Console 4.6.101.0 Release Notes**, which describe the new features, enhancements, and fixes introduced in this release.

New

- Added editable filters in Management Console enabling users to create, modify, and remove multiple filters, specifying logical relationships between them. The feature is intended to ensure consistency between ProPricer 9 and Management Console filtering capabilities.

Enhancements

- Added compatibility with ProPricer version 9.6.101.0.
