

Deployment Date: 5/4/2018

Hot Fix: cp711_cmnlb_CTLIB_005.zip

CG/CN/CTMCNTR/Manage Contracts

[Deltek Defect Tracking Number:](#)

852626

[Issues Resolved:](#)

Description: The following label and positioning issues occurred on the Supplier/Vendor Rating subtask:

- The Rating field label was missing.
- The Responsiveness/Innovation label overlapped with the first text box. Its corresponding Comments label was also too close to the Comments text box.
- The Comments labels should have included the rating category name (for example, the first Comments label should have been Responsiveness/Innovation comments).

Customers Impacted: This defect affects users of the Contract Management module.

Workaround Before Fix: None.

Additional Notes: None.

CG/CN/CTMSBCNTR/Manage Subcontracts

[Deltek Defect Tracking Number:](#)

853856

[Issues Resolved:](#)

Description: On the Supplier/Vendor Rating subtask, the Rating Code Description did not display after you saved a record in both these instances:

- The rating code you selected has the same description as another rating code, and the rating code description has the maximum number of allowable characters.
- The rating code you selected has a hyphen and has the same description as another rating code, but the rating code description does not reach the maximum number of characters allowed.

Customers Impacted: This defect affects users of the Contract Management module.

Workaround Before Fix: None.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
