

**Deployment Date: 3/28/2018**

**Hot Fix: cp711\_ctmcntr\_004.zip**

**PJ/CTM/CTMCNTR/Manage Contracts**

[Deltek Defect Tracking Number:](#)

856400

[Issues Resolved:](#)

**Description:** On the Team tab, the error message that displays when the **Load Opp PLC** button has not been clicked yet and you save the record has been changed from "Invalid PLC" to "Please execute the Load OPP PLC before the record can be saved."

**Customers Impacted:** This change affects users of the Contract Management module.

**Workaround Before Fix:** None.

**Additional Notes:** None.

**PJ/CTM/CTMCNTR/Manage Contracts**

[Deltek Defect Tracking Number:](#)

857750

[Issues Resolved:](#)

**Description:** On the Contract Teammates subtask, Costpoint did not display a validation message when the **Role Description** you selected has the **Customer** check box selected in Manage Contract Management Roles and you selected **Subcontractor** from the **Prime/Subcontractor** drop-down list. No validation took place also when the **Role Description** you selected has the **Teammates** check box selected and you selected **Prime** from the **Prime/Subcontractor** drop-down list.

**Customers Impacted:** This defect affects users of the Contract Management module.

**Workaround Before Fix:** Select **Prime** or **Subcontractor** before entering or selecting a **Role Description**.

**Additional Notes:** None.

**PJ/CTM/CTMCNTR/Manage Contracts**

[Deltek Defect Tracking Number:](#)

864782

[Issues Resolved:](#)

**Description:** On the Potential Work Force Employees subtask, you were unable to create records with the same **Employee** value when there was the same or no **Role Description** value, even though the records were assigned to multiple project labor categories.

**Customers Impacted:** This defect affects users of the Contract Management module.

**Workaround Before Fix:** None.

**Additional Notes:** None.

## **PJ/CTM/CTMCNTR/Manage Contracts**

[Deltek Defect Tracking Number:](#)

874801

[Issues Resolved:](#)

**Description:** On the General tab, when you deleted the values in the **Project Manager**, **Billing Analyst**, **Subcontract Administrator**, and **Contract Administrator** ID fields, Costpoint did not remove the values in their corresponding **Name** fields.

**Customers Impacted:** This defect affects Oracle and MSS users of Costpoint who are licensed for Contract Management.

**Workaround Before Fix:** None.

**Additional Notes:** None.

## **PJ/CTM/CTMCNTR/Manage Contracts**

[Deltek Defect Tracking Number:](#)

898656

[Issues Resolved:](#)

**Description:** On the General tab, the **Prime Contractor** field (CNTR\_MASTER.PRIME\_CONTRACTOR) character length has been changed from varchar (32) to varchar (12). In addition, Costpoint now displays an error message when the **Prime Contractor** that will be defaulted from the opportunity is a prospective customer.

**Customers Impacted:** This change affects Oracle and MSS users of Costpoint who are licensed for Contract Management.

**Workaround Before Fix:** None.

**Additional Notes:** None.

## PJ/CTM/CTMCNTR/Manage Contracts

Deltek Defect Tracking Number:

902952

Issues Resolved:

**Description:** On the Additional Opportunities subtask, Costpoint required you to enter values in the **Primary Customer** and **Type** fields before saving the record, even if **Costpoint Opportunity** was **N**, or when an existing Costpoint opportunity had no customer linked.

**Customers Impacted:** This defect affects Oracle and MSS users of Costpoint who are licensed for Contract Management.

**Workaround Before Fix:** Link an existing customer to the opportunity.

**Additional Notes:** None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
