MATERIALS/PROCUREMENT PLANNING/PPMNTRQ2/Requisition Processing

[Deltek Defect Tracking Number:](#)

812761

[Issues Resolved:](#)

Description: The following error message was displayed when you tried to enter details on Assign PO Subtask and you did not enter a requisition line, but **PO Type** was edited: "The following does not exist: BUYER_ID (Hidden)."

Customers Impacted: This defect affects Costpoint users.

Workaround Before Fix: Set the PO Type to Select, then set the requisition line. Lastly, set the correct PO Type.

Additional Notes: Error message must be revised and it should direct the user to where the Buyer ID that is required can be located. Or, the error message should say "The following is required - Requisition Line."

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
