

Deployment Date: 5/21/2015

Hot Fix: cp711_blmpclos_002.zip

PJ/BL/BLMPCLOS/Maintain Closed Progress Billing Detail

[Deltek Defect Tracking Number:](#)

482060

[Issues Resolved:](#)

Description: When you tried to clone or copy a record that was printed but not yet posted, Costpoint displayed an error message indicating that you cannot modify posted bills.

Customers Impacted: This defect affects Billing users in Costpoint 7.1.1.

Workaround Before Fix: Do not clone or copy transactions in an active posting.

Additional Notes: The **Post Sequence Number** should be cleared on clone and copy when the user tries to print the invoice in Post Billing applications without posting the original invoice and retrieve the record again in Manage Billing applications.

PJ/BL/BLMPCLOS/Maintain Closed Progress Billing Detail

[Deltek Defect Tracking Number:](#)

501993

[Issues Resolved:](#)

Description: The application did not allow you to clone a record when S_JNL_CODE = PRG.

Customers Impacted: This defect affects Billing module users in Costpoint 7.1.1.

Workaround Before Fix: None.

Additional Notes: The application has been modified to allow cloning and clear S_JNL_CODE = PRG so that the cloned record is treated like a manually entered record.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
