Deltek Costpoint HotFix Readme

Released: November 28, 2014

Enhancements

2015 Arkansas Income Tax Withholding

The formula withholding method, effective Jan. 1, 2015, was released by the Department of Finance and Administration. Costpoint was updated to adjust Net Taxable Income to the $50 range if the amount was less than **$50,000**.

For more information, please refer to http://www.dfa.arkansas.gov/offices/incomeTax/withholding/Documents/withholdTaxTables.pdf.

2015 California Income Tax Withholding

California released income tax withholding accompanying instructions effective for 2015. Low income exemption values were updated in the payroll calculation.

For more information, please refer to the *California Withholding Schedules for 2015, Method B - Exact Calculation Method*: http://op.bna.com/hrlw.nsf/r?Open=tbue-9pxmla.

District of Columbia SUTA Reporting

Costpoint was updated to allow the tracking of employee/employer relationship for the District of Columbia (D.C.). The following changes were applied for this enhancement:

- **Manage Employee Taxes (PRMETAX)/Manage Employee Information (LDMEINFO) - Taxes Subtask**
  - Added an **Employee/Employer Relationship** field to the Tax Reporting Information tab.
  - Added a validation to prevent users from entering an Employee/Employer Relationship other than **1-Owner or Officer** if the **Owner** check box is selected.
  - If Employee Tax data changes are tracked, the application saves the EMPL_TAX record information to the EMPL_TAX_ADT table.
- **View Employee Taxes (PRQETAX)**
  Added an **Employee/Employer Relationship** field to the Tax Reporting Information tab.
- **Database Changes**
  Added the following fields:
  - EMPL_TAX.ee_er_relation_cd
  - EMPL_TAX_ADT.ee_er_relation_cd

2015 Maine Income Tax Withholding

The nonresident alien adjustment amount increases from $6,200 to **$6,300**.

More information about this release is on the following page.

Custom Programs Affected:

Sometimes an update can cause custom programs and reports to stop working as expected. Before applying this update, consider whether you have any custom programs or reports in the application area affected by the update. If so, contact Deltek Customer Care at http://support.deltek.com before you install the update.

To Download the HotFix Update:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hot Fixes folder for your product, and select the update to download.
6. Click **Download** at the bottom of the screen.

To Install the HotFix Update:

Refer to the installation instructions posted on Deltek's Customer Care Connect site, https://deltek.custhelp.com.

- For Costpoint 7.1.1 updates, refer to Knowledge Base article 79232.
- For Costpoint 7.0.1 updates, refer to Knowledge Base article 73769.
- For Costpoint 7.0 updates, refer to Knowledge Base article 67722.

Before you install this update, please review all previous updates in the Knowledge Base article. You may need to install prerequisite programs or database patches (described in the Knowledge Base article) prior to installing this update. Note that when you download an update using Deltek Software Manager (DSM), all dependent files are automatically downloaded.

To Check to See if the HotFix is Installed:

1. Open the application that was updated.
2. Click **Help** > **About Costpoint** from the Costpoint toolbar. This will display a screen that shows you the latest update JAR for the application that is open, as well as the latest system JAR and all patches applied to the system.

More Information:

If you have any questions, please contact Deltek Customer Care at https://support.deltek.com.
