

Deployment Date: 12/28/2016

Hot Fix: cp711_sys_024.zip; cp711_pcmmomnt_019.zip

MATERIALS/PRODUCTION CONTROL/PCMMOMNT/Enter Manufacturing Orders

Deltek Defect Tracking Number:

608681

Issues Resolved:

Description: A new **Use Operationalized Bills of Material** check box has been added to the MO header to suppress autoloading of manufacturing order (MO) requirements based on MO routing components and manufacturing bills of material (MBOM).

Customers Impacted: The change affects you if you use operationalized BOMs (Routing settings).

Workaround Before Fix: Modify MO Requirements only after autoloading based on routing.

Additional Notes: This change requires PATCH2993.

cp711_patch2992_001.zip

MATERIALS/PRODUCTION CONTROL/PCMMOMNT/Enter Manufacturing Orders

Deltek Defect Tracking Number:

722811

Issues Resolved:

Description: For Lot tracked part, autoload serial/lot function loaded based on lot number increment on another existing row (deleted or undeleted) instead of loading the next lot number based on serial/lot settings. This resulted to an incorrect update on the system-assigned lot number, even though it was an older number.

Customers Impacted: This defect affects you if you use the lot tracking function for Buy or Make parts.

Workaround Before Fix: None.

Additional Notes: None.

cp711_pcmmomnt_019.zip

System File Dependencies:

cp711_sys_024.zip

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
