

Deployment Date: 6/1/2018

Hot Fix: cp711_ctmcntr_006.zip

CG/CN/CTMCNTR/Manage Contracts

[Deltek Defect Tracking Number:](#)

929196

[Issues Resolved:](#)

Description: The following changes have been made on this screen:

- On the Contact Info group box of the General tab, the lookup of the following fields has been updated to return only employees with a status of Active. You can still search for employees with a status other than **Active** using the Status option available as a query condition on the Query tab of the Query dialog box for these fields:
 - Project Manager
 - Billing Analyst
 - Subcontract Administrator
 - Contract Administrator
- The lookup of the following fields has been updated to return only employees with a status of Active. Status has also been added as a query condition on the Query tab of the Query dialog box for these fields so you can search for employees with a status other than **Active**.
 - Employee field on the Contract Employee Team and Potential Work Force Employees subtasks
 - Activity Owner field on the Activities subtask
- On the Contract Teammates subtask, when you select Subcontractor from the Prime/Subcontractor drop-down list, the lookup of the ID field now returns only vendors with a status of Active or Give Warning. Status has also been added as a query condition on the Query tab of the Query dialog box for this field so you can search for inactive vendors.
- On the Vendor Employees subtask of the Contract Teammates subtask, the lookup of the Vendor Employee ID field has been updated to return only vendor employees with a status of Active. Status has also been added as a query condition on the Query tab of the Query dialog box for this field so you can search for inactive vendor employees.

You can still manually enter employees/vendors with a status other than Active or Give Warning in these fields despite the update in the lookup. **Customers Impacted:** This change affects users of Contract Management. **Workaround Before Fix:** None. **Additional Notes:** None.

CG/CN/CTMCNTR/Manage Contracts

[Deltek Defect Tracking Number:](#)

929223

[Issues Resolved:](#)

Description: The following updates have been made to the Contract Info tab of this screen:

- The default selection in the drop-down lists on this tab is now Select (previously No) so you will be required to make a selection.
- In the Is this a Time & Materials or a Fixed Price Contract? drop-down list, the Yes and No options have been replaced with T&M and Fixed Price.
- The If yes, provide schedule of negotiated rates in Labor Rates subtask label has been changed to If T&M, provide schedule of negotiated rates in the Labor Rates subtask of the Team tab.

Customers Impacted: This change affects users of Contract Management. **Workaround Before Fix:** None. **Additional Notes:** This requires PATCH3463.

CG/CN/CTMCNTR/Manage Contracts

Deltek Defect Tracking Number:

930456

Issues Resolved:

Description: The opportunity name in the **Name** field adjacent to the **Main Opportunity ID** field now displays as a hyperlink to allow you to quickly access the Manage Opportunities screen with the specific Costpoint opportunity displayed. If the opportunity is not a Costpoint opportunity, the Manage Opportunities screen will still open but will display with no record. **Customers Impacted:** This change affects users of Contract Management. **Workaround Before Fix:** Manually navigate to the Manage Opportunities screen and query the opportunity.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
