PJ/CTM/CTMCUST/Manage Contract Management Customer Info

Deltek Defect Tracking Number:

896819

Issues Resolved:

Description: On the Contacts subtask of the Address/Contact Info subtask, Costpoint now allows you to add new contacts on existing customer/address codes. Previously, only contacts for prospective customers could be added here. No updates or deletions of contacts, however, are allowed on regular customers.

Customers Impacted: This change affects users of the Contract Management module.

Workaround Before Fix: Maintain customer contacts in the Manage Customers application.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:
