

Deployment Date: 11/2/2016

Hot Fix: cp711_sys_022.zip; cp711_pcmmoiss_015.zip

MATERIALS/PRODUCTION CONTROL/PCMMOISS/Enter Manufacturing Order Issues

[Deltek Defect Tracking Number:](#)

615060

[Issues Resolved:](#)

Description: A new **Display Backflush Requirements on Autoload** check box has been added to display backflush manufacturing order (MO) requirements even though they were issued without selecting this check box. This applies when backflush is on Issue in PC Settings.
Customers Impacted: This change affects you if you use the backflush on issue option in PC Settings.
Workaround Before Fix: None.
Additional Notes: None.

MATERIALS/PRODUCTION CONTROL/PCMMOISS/Enter Manufacturing Order Issues

[Deltek Defect Tracking Number:](#)

718741

[Issues Resolved:](#)

Description: The original transaction date of the MO issue was used when you reversed an MO issue transaction in Web Integration Console (WIC), and because the original period/subperiod was closed, an error occurred.
Customers Impacted: This defect affects you if you use the Costpoint Inventory module.
Workaround Before Fix: Open previously closed account and subperiods for the original transaction date.
Additional Notes: None.

[Custom Programs Affected:](#)

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

[To Download the Hot Fix:](#)

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
