Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

1. From Internet Explorer, go to <https://dsm.deltex.com>.
2. Click Run Deltex Software Manager.
3. Log in using your Deltex Customer Care Connect credentials.
4. In the left pane of the Deltex Software Manager, expand your Deltex product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
