Analysis Cubes

Deltek Defect Tracking Number: 386549

Description: If you have a non-United States English Vision database and you do not have the Performance Management or the Performance Management Analysis Cubes edition of Performance Management installed, all the project data cube measures were set to invisible.

Customers Impacted: This defect applies to Vision 7.0 SP1 and later versions.

Workaround Before Fix: None.

Additional Notes: None.

Files Updated

DeltekVisionResourceKit.exe

DeltekVisionHelper.dll

Other Applications Affected

System File Dependencies

Enhancements (1)

Role Summary Report Configuration

Description: The Role Summary report presents detailed information for each role created for Vision users. To specify the contents of the Role Summary Report, you can select the options that you want to display. The **Report Sections to Include** group box includes a **Navigator** option that you can select to include Navigator information on the report. This option is not selected by default.

Files Updated

roleNavigatorSection.rdl

Role Summary.rdl

roleInfoCentersSection.rdl

Deltek.Vision.ReportLabels.Server.dll

Deltek.Vision.ReportingConfiguration.Client.dll

Deltek.Vision.ReportingConfiguration.Server.dll

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <http://support.deltek.com> before you install the hot fix.

To Download the HotFix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click **Download** at the bottom of the screen.

To Install the HotFix:

Run the executable (.exe) file on your application server.

To Check to See if the HotFix is Installed:

1. Click **Help > About** from the Vision toolbar.
2. Click the **Details** button on the **About Deltek Vision** dialog box.

More Information:
