

Deltak Costpoint HotFix Readme

Released: October 28, 2016

Enhancements

Increase the Size of Hourly, Salary, and Annual Amount Fields in Importing Timesheets

To accommodate large salary amounts in currencies with large exchange rates, the size of the following columns should be increased in applications on the Costpoint People domain:

- Salary Amount
- Hourly Rate
- Annual Amount
- Other Amounts
- Other Rates

The size of salary and annual amount columns increase from **(10,2)** to **(17,2)** and hourly amount columns increase from **(10,4)** to **(19,4)**.

To support this enhancement, this release includes the changes to the following Costpoint screens:

- **Import Timesheets (AOPUTLTS)**
Out of range validations for amount fields that are no longer applicable were removed.
- **Import Timesheets from Deltek Time and Expense (LDPUPET)**
Out of range validations for amount fields that are no longer applicable were removed.

Application JAR Requirements

The following table shows the required application JAR version for each screen affected by this update:

Domain	Module	Application ID	Application Name	Application JAR
PE	EM	AOPUTLTS	Import Timesheets	cp711_aoputlts_007.zip
PE	EM	LDPUPET	Import Timesheets from Deltek Time and Expense	cp711_ldpupet_003.zip

More information about this release is on the following page.

Custom Programs Affected:

Sometimes an update can cause custom programs and reports to stop working as expected. Before applying this update, consider whether you have any custom programs or reports in the application area affected by the update. If so, contact Deltek Customer Care at <http://support.deltek.com> before you install the update.

To Download the HotFix Update:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hot Fixes folder for your product, and select the update to download.
6. Click **Download** at the bottom of the screen.

To Install the HotFix Update:

Refer to the installation instructions posted on Deltek's Customer Care Connect site, <https://deltek.custhelp.com>.

- For Costpoint 7.1.1 updates, refer to Knowledge Base article 79232.
- For Costpoint 7.0.1 updates, refer to Knowledge Base article 73769.
- For Costpoint 7.0 updates, refer to Knowledge Base article 67722.

Before you install this update, please review all previous updates in the Knowledge Base article. You may need to install prerequisite programs or database patches (described in the Knowledge Base article) prior to installing this update. Note that when you download an update using Deltek Software Manager (DSM), all dependent files are automatically downloaded.

To Check to See if the HotFix is Installed:

1. Open the application that was updated.
2. Click **Help > About Costpoint** from the Costpoint toolbar. This will display a screen that shows you the latest update JAR for the application that is open, as well as the latest system JAR and all patches applied to the system.

More Information:

If you have any questions, please contact Deltek Customer Care at <https://support.deltek.com>.
