Issues Resolved:

Description: You encountered the following issues on the screen's child table window (CTW):

- The CTW label (Line Details) and the Query title (also Line Details) were not the same as the application name.
- On the Query tab of the Query dialog box, only the Line field was available under Query Condition. You were unable to query a specific field in the CTW.
- On the Sort tab of the Query dialog box, only the Line field was available in the Sort Records by drop-down list.
- The Find tab of the Query dialog box was disabled.

Customers Impacted: This defect affects Costpoint users.
