

Deployment Date: 2/28/2018

Hot Fix: cp711_pjpuppsr_009.zip

PJ/PI/PJPUPPSR/Update Project Status Report Table

Deltek Defect Tracking Number:

873580

Issues Resolved:

Description: When you printed the Project Status Report for a prior year, the **General & Admin** amount for a work in process (WIP) project was incorrect if the project account group was different at the charging level and did not include WIP Trans Out or Cost of Goods Sold accounts.

Customers Impacted: This defect affects Costpoint users.

Workaround Before Fix: None.

Additional Notes: None.

PJ/PI/PJPUPPSR/Update Project Status Report Table

Deltek Defect Tracking Number:

892926

Issues Resolved:

Description: When you ran Update Prior Year History with the **Copy Project Setup Data to History Tables** check box selected for WIP projects, the Update Project Status Report Tables application did not pick up the COGS values for the year the update was run for and doubled the current period amount in the subsequent year.

Customers Impacted: This defect affects Costpoint users.

Workaround Before Fix: Clear the project setup tables using the Update Prior Year History screen.

Additional Notes: None.

Files Updated:

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
