[Issues Resolved:](#)

Description: The following issues occurred in Print Subcontractor Invoices:

- When you previewed the report and clicked the arrows on the report, Costpoint returned you to the application screen and you had to click the Preview icon to get back to the report.
- Vendor Employees were not grouped into one line. They should be grouped into one line unless there is something to separate them such as the rate or timesheet date.
- "No Rows Found that Meet Selection Criteria" was printed at the bottom of the invoice.

Customer Impacted: This defect affects users of the Subcontractor Management module.

Workaround Before Fix: None.
