[Issues Resolved:](#)

Description: The **Use PLC for Wage Determination** check box on the Manage Government Contract Information screen and on the Government Contract subtask of the Manage Project User Flow screen is now disabled if the project is not a top-level project. This is because timesheets do not use the project labor category (PLC) for wage determination for lower-level projects. **Customers Impacted:** This change affects Costpoint users. **Workaround Before Fix:** None. **Additional Notes:** None.
