

Deployment Date: 4/8/2019

Hot Fix: cp711_bmpcopy_013.zip

MATERIALS/BILLS OF MATERIAL/BMPCOPY/Copy Bills of Material

Deltek Defect Tracking Number:

600770

Issues Resolved:

Description: When you clicked **Copy bills of material** line from the process gear drop-down, the progress bar showed it as copying, and returned the message: Copy Bills of Material Completed, but the process did not copy any record.

Customers Impacted: This defect affects Costpoint users.

Workaround Before Fix: None.

Additional Notes: None.

MATERIALS/BILLS OF MATERIAL/BMPCOPY/Copy Bills of Material

Deltek Defect Tracking Number:

939844

Issues Resolved:

Description: When you copied a bill of materials (BOM) where the same part had been entered several times with different effectivity dates, the process created duplicate records with the same effectivity dates when you selected **Specify Starting Effectivity Date** of option.

Customers Impacted: This defect affects Costpoint users.

Workaround Before Fix: Manually correct duplicate records in frontend.

Additional Notes: None.

MATERIALS/BILLS OF MATERIAL/BMPCOPY/Copy Bills of Material

Deltek Defect Tracking Number:

1068040

Issues Resolved:

Description: The following error was displayed when you tried to copy an engineering bill of material (EBOM) to manufacturing bill of material (MBOM), even with part security off on all parts involved: "A secured part/rev cannot be a component in an MBOM with an unsecured assembly part/rev."

Customers Impacted: This defect affects you if you use Copy Bill of Materials in Costpoint.

Workaround Before Fix: None.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
