**PJ/BL/BLRPBIL/Print Progress Payment Bills**

**Deltek Defect Tracking Number:**

467706

**Issues Resolved:**

**Description:** Print Progress Payment Bills currently displays the values of the following country name columns in the report: BILL\_COUNTRY\_NAME, PMT\_COUNTRY\_NAME, and RMT\_COUNTRY\_NAME. When a record is inserted from the Calculate Progress Payment Bills application, these columns store the country code. The report therefore shows the country code instead of the country name.  
**Customers Impacted:** This defect affects Billing users in Costpoint 7.1.1.  
**Workaround Before Fix:** Update the **Country** fields on the Manage Progress Payment Bills screen.  
**Additional Notes:** None.
