

# Deltak Costpoint HotFix Readme

*Released: August 24, 2015*

## Enhancements

### Louisiana SUTA Electronic Filing

Effective January 1, 2016, the Louisiana Workforce Commission will require the following information:

- Nominal hourly rate of pay
- Job title or Standard Occupational Classification (known as SOC) code

Costpoint now supports the update in the **RS** record which will include the above fields for reporting beginning third quarter of 2015.

### Electronic File Changes

The following are the SUTA electronic file changes for Louisiana:

- Hourly Rate in RS Record, Position 360-366 is now populated with the Hourly Amount from Manage Employee Salary Information screen that is effective as of the last day of the reporting quarter.
- SOC Code/Job Title in RS Record, Position 367-446 is now populated with the Detail Job Title from Manage Employee Salary Information screen that is effective as of the last day of the reporting quarter.

For more information, please refer to: <http://www.laworks.net/Downloads/UI/WageUploadInstructions.pdf>

### Application JAR Requirements

The following table shows the required application JAR version for each screen affected by this update:

Domain	Application Name	Application JAR
PE	Create Quarterly SUTA Tax File (PRPSMM)	cp711_prpsmm_005.jar

More information about this release is on the following page.

## Custom Programs Affected:

Sometimes an update can cause custom programs and reports to stop working as expected. Before applying this update, consider whether you have any custom programs or reports in the application area affected by the update. If so, contact Deltek Customer Care at <http://support.deltek.com> before you install the update.

## To Download the HotFix Update:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hot Fixes folder for your product, and select the update to download.
6. Click **Download** at the bottom of the screen.

## To Install the HotFix Update:

Refer to the installation instructions posted on Deltek's Customer Care Connect site, <https://deltek.custhelp.com>.

- For Costpoint 7.1.1 updates, refer to Knowledge Base article 79232.
- For Costpoint 7.0.1 updates, refer to Knowledge Base article 73769.
- For Costpoint 7.0 updates, refer to Knowledge Base article 67722.

Before you install this update, please review all previous updates in the Knowledge Base article. You may need to install prerequisite programs or database patches (described in the Knowledge Base article) prior to installing this update. Note that when you download an update using Deltek Software Manager (DSM), all dependent files are automatically downloaded.

## To Check to See if the HotFix is Installed:

1. Open the application that was updated.
2. Click **Help > About Costpoint** from the Costpoint toolbar. This will display a screen that shows you the latest update JAR for the application that is open, as well as the latest system JAR and all patches applied to the system.

## More Information:

If you have any questions, please contact Deltek Customer Care at <https://support.deltek.com>.
