## **ACCOUNTING/ACCOUNTS PAYABLE/APROPEN/Open A\_P Report**

**Deltek Defect Tracking Number:**

570581

**Issues Resolved:**

**Description:** There were inconsistencies and issues on the cover page of the report:

- The "Transaction Currency" label on the cover page included the "Code" label.
- The "A/P Acct Org" label on the cover page was missing the slash (/) between "Acct" and "Org". A space was displayed instead.
- The Date format was not displayed the same as the report parameter for the **As of Date** field. It was displayed as MM/DD/YY instead of MM/DD/YYYY.
- The "Include" Label was not indented correctly and the "Account Level" and "Organization Level" were not distinctly labeled on the cover page. The said labels were displayed at the same level as "Report Level".

**Customers Impacted:** This defect affects you if you use the Costpoint Accounts Payable module.
