Overview

Welcome to Deltek Mobile Expense for Ajera 3.0 Cumulative Update 01 Release Notes. These release notes contain a summary of the following:

- New Features and Enhancements
- Software Issues Resolved

Note: The official name of the application is *Deltek Mobile Expense for Ajera*. This document only uses it at first mention. The succeeding instances of the application name display *Mobile Expense for Ajera*. In addition, the application name in *Apple App Store* and *Google Play* displays *Deltek Expense for Ajera*.

Mobile Expense for Ajera 3.0 Cumulative Update 01

This cumulative update applies to Mobile Expense for Ajera application 3.0.1 and Mobile Expense for Ajera Touch Server 3.0.1.2.

Release: July 12, 2024

Enhancements

This section includes enhancements for this release.

Support for PHP 8.3.8

The Touch Server has been upgraded to support PHP 8.3.8.

No URL Transfer from 2.x and Earlier Versions

When updating from version 2.x to 3.0, the Mobile Expense for Ajera application no longer retains the previously used Ajera URL from the 2.x application.

Support for Non-US Formats in Date Fields

The date fields in Mobile Expense for Ajera now accommodate non-US date formats, such as placing the day before the year and using dashes as the date separator.

Software Issues Resolved

Intelligent Character Recognition

Defect 2099608

Description: When trying to capture an image with an iPad mini or adjusting the device's orientation sideways or upside down, the Intelligent Character Recognition (ICR) menu options (Long Receipt, Receipt, Bill, and Other) would not display correctly.

Customers Impacted: Mobile Expense for Ajera users capturing an image with iPad mini.

Workaround Before Fix: Select another application while keeping the ICR screen open, then return to the ICR screen.

Quick Capture

Defect 2109094

Description: When using Quick Capture to add a receipt and modifying or removing captured values, all fields holding these values would remain highlighted in green.

Customers Impacted: All Mobile Expense for Ajera users using Quick Capture.

Workaround Before Fix: None.

Floating Action Button

Defect 2099659

Description: The Floating Action Button (FAB) would occasionally disappear on the **Expenses** and **Expense Report** screens.

Customers Impacted: All Mobile Expense for Ajera users.

Workaround Before Fix: The FAB is the primary action button used to add expense lines.

Documentation Changes

This section includes details of sections changed in the printed documentation.

Document Name	Description of Change
Deltek Mobile Expense for Ajera Installation Guide	Updated PHP version.
Deltek Mobile Expense for Ajera User Guide	Updated information on saving Ajera URL.

Appendix A: Download and Install the Cumulative Update

Note: This section only applies to the Touch Server.

Download and Install the Cumulative Update

1. From your web browser, go to <https://dsm.deltek.com>.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Cumulative Updates folder for your product and select the update to download.
6. Click **Download** at the bottom of the screen.
7. Download the file to a local workstation or a centralized server location.
8. Double-click the file to start the cumulative update.

Verify the Cumulative Update Installation

1. On the Mobile Expense for Ajera application, tap **Settings » About**.
2. In the **Native App** or **Web App** field, confirm that the version number reflects the update.

Appendix B: For Additional Information

Deltek Support Center

The Deltek Support Center is a support Web site for Deltek customers who purchase an Ongoing Support Plan (OSP).

The following are some of the many options that the Deltek Support Center provides:

- Search for product documentation, such as release notes, install guides, technical information, online help topics, and white papers
- Ask questions, exchange ideas, and share knowledge with other Deltek customers through the Deltek Support Center Community
- Access Cloud-specific documents and forums
- Download the latest versions of your Deltek products
- Search Deltek's knowledge base
- Submit a support case and check on its progress
- Transfer requested files to a Customer Care analyst
- Subscribe to Deltek communications about your products and services
- Receive alerts of new Deltek releases and hot fixes
- Initiate a Chat to submit a question to a Customer Care analyst online

Attention: For more information regarding Deltek Support Center, refer to the online help available from the Web site.

Access Deltek Support Center

To access the Deltek Support Center:

1. Go to <https://deltek.custhelp.com>.
2. Enter your Deltek Support Center **Username** and **Password**.
3. Click **Login**.

Note: If you forget your username or password, you can click the **Need Help?** button on the login screen for help.
