Deployment Date: 9/30/2016

Hot Fix: cp711_sys_021.zip; cp711_patch2992_001.zip; cp711_pcmmomnt_017.zip

MATERIALS/PRODUCTION CONTROL/PCMMOMNT/Enter Manufacturing Orders

Deltek Defect Tracking Number:

608681

Issues Resolved:

Description: A new **Use Operationalized Bills of Material** check box has been added to the MO header to suppress autoloading of manufacturing order (MO) requirements based on MO routing components and manufacturing bills of material (MBOM).
Customers Impacted: The change affects you if you use operationalized BOMs (Routing settings).
Workaround Before Fix: Modify MO Requirements only after autoloading based on routing.
Additional Notes: This change requires PATCH2992.

MATERIALS/PRODUCTION CONTROL/PCMMOMNT/Enter Manufacturing Orders

Deltek Defect Tracking Number:

703368

Issues Resolved:

Description: In the Manage Manufacturing Orders screen, you were allowed to use the same serial numbers on two different manufacturing orders (MO) but the screen displayed an error when you tried to do an MO relief.
Customers Impacted: This defect affects you if you use the Costpoint Production Control module.
Workaround Before Fix: None.
Additional Notes: None.

MATERIALS/PRODUCTION CONTROL/PCMMOMNT/Enter Manufacturing Orders

Deltek Defect Tracking Number:

704913

Issues Resolved:

Description: In Project Manufacturing, the defaulting planner did not follow all logic scenarios which resulted in an error when data existed in inventory projects for the default planner.
Customers Impacted: This defect affects you if you use Manufacturing Execution System (MES).
Workaround Before Fix: None.
Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
