PEOPLE/LABOR/LDMTIME/Enter Timesheets

Deltek Defect Tracking Number:

1032962

Issues Resolved:

Description: When org security was enabled, the application did not allow you to enter/edit timesheets for the employees with future-dated salary records. The screen displayed an error indicating that you do not have access to the employee. This issue occurred on the day before the effective date of the future-dated salary record. In this scenario, the home org and the security org were identical on both current and future salary records.

Customers Impacted: This defect affects Costpoint Employee users.

Workaround Before Fix: None.

Additional Notes: None.
