**Deployment Date: 1/7/2015**

**Hot Fix: cp711_patch2580_001.zip**

**PEOPLE/LABOR/LDMTIME/Enter Timesheets**

463290

Issues Resolved:

**Description:** When you clicked **New** after updating the account on the timesheet line 2, the account information on timesheet line 2 reverted back to the original value.

**Customers Impacted:** This defect affects Costpoint 7.1.1 Labor users.

**Workaround Before Fix:** None.

**Additional Notes:** This issue occurred if you performed the following steps:

1. Create a timesheet line with negative labor cost.
2. Click **Copy** to populate the record in timesheet line 2.
3. Update account in timesheet line 2 and then click **New** to add a timesheet line 3. After clicking **New**, the account in timesheet line 2 will revert back to its original value.

**PEOPLE/LABOR/LDPAUTO/Auto-Adjust Timesheets in Batch Mode**

Deltek Defect Tracking Number:

473330

Issues Resolved:

**Description:** When the **Allowable Negative MO Cost Amount Validation** field on the Configure Production Control Settings screen was set to **Warning**, the printed warning report was missing timesheet auto-adjust details. The application also did not process the records.

**Customers Impacted:** This defect affects Costpoint 7.1.1 users.

**Workaround Before Fix:** None.

**Additional Notes:** None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
