

**Deployment Date: 7/17/2018**

**Hot Fix: cp711\_aopadpts\_005.zip**

## **OTHERS/PRODUCT INTERFACES/AOPADPTS/ADP Timesheet Transfer**

Deltek Defect Tracking Number:

917349

Issues Resolved:

**Description:** When you created an ADP 2.5 file, the file contained a space before the "X" character under the **Special Action** column on each line.

**Customers Impacted:** This defect affects Costpoint users who export data to ADP system.

**Workaround Before Fix:** Manually removing the space in the file.

**Additional Notes:** The X special action instructs ADP to not calculate their own earnings based on pay rates existing in ADP and instead use the earnings provided on the file. As a result of the leading space before X special action, when you uploaded the file to ADP, the gross earnings were not accurate because ADP calculated earnings based on the hours on the file.
