Overview

This PPM Ask Dela 1.0 Cumulative Update (CU) 01 release includes all the enhancements and software issues resolved were made in Ask Dela 1.0 GA through 01.

Software Requirements (Compatibility Matrix)

To see the list of the supported and compatible technologies, see "System Requirements" in the *Deltek Ask Dela 1.0 Installation Guide*.

For a complete list of the recommended minimum software requirements, see the Deltek Product Support Compatibility Matrix document, which you can download from the [Deltek Support Center](#) site.

Ask Dela 1.0 Cumulative Update 01

Released: July 31, 2026

Enhancements

There are no enhancements in this release.

Software Issues Resolved

Defect 2827379

Description: Ask Dela did not function correctly when installed in an environment without PPMA installed. It displayed the message "AI features are currently unavailable. Please try again later." instead of returning a response to your query.

Customers Impacted: This defect affects Ask Dela users who logged in to a supported PPM product other than PPM Administrator.

Workaround Before Fix: None.

Additional Note: Download and install the latest Ask Dela installer to get the fix.

- If you are using PPMA, navigate to **PPM Administrator » PPM Administrator 1.0 (GA) » Sub-Release**.
- If you are using EPM SA, navigate to **EPM Security Administrator » EPM Security Administrator 8.6 (GA) » Sub-Release**.

Attention: For installation instructions, see the *Deltek PPM Ask Dela Installation Guide*. For more information on Ask Dela, see the *Deltek PPM Ask Dela Release Notes*.

Known Issue

Deltek Tracking 2831205

Application Pool Credentials Do Not Update During Installation Update

Description: During an update, you are prompted to enter the user name and password. However, entering these credentials does not update the existing Application Pool credentials. This known issue will be fixed in the next cumulative update release.

Database Changes

There are no database changes in this release.

Documentation Changes

There are no documentation changes in this release.

Appendix A: For Additional Information

Deltek Support Center

The Deltek Support Center is a support Web site for Deltek customers who purchase an Ongoing Support Plan (OSP).

The following are some of the many options that the Deltek Support Center provides:

- Search for product documentation, such as release notes, install guides, technical information, online help topics, and white papers
- Ask questions, exchange ideas, and share knowledge with other Deltek customers through the Deltek Support Center Community
- Access Cloud-specific documents and forums
- Download the latest versions of your Deltek products
- Search Deltek's knowledge base.
- Submit a support case and check on its progress.
- Transfer requested files to a Deltek Support Services analyst.
- Subscribe to Deltek communications about your products and services.
- Receive alerts of new Deltek releases and hot fixes.
- Initiate a Chat to submit a question to a Deltek Support Services analyst online.

Attention: For more information regarding Deltek Support Center, refer to the online help available from the Web site.

Access Deltek Support Center

To access the Deltek Support Center:

1. Go to <https://deltek.custhelp.com>.
2. Enter your Deltek Support Center **Username** and **Password**.
3. Click **Login**.

Note: If you forget your username or password, you can click the **Need Help?** button on the login screen for help.
