

## Hot Fix: cp711\_te\_common\_029.zip

### TE/Administration/AD/ADPIMPORT

#### Deltek Defect Tracking Number:

1166884

#### Issues Resolved:

**Description:** When you imported a member record for an employee group where the employee was erroneously assigned to more than one group (due to an earlier defect), the employee was not removed from the other groups if the import record was for a group to which that employee already belonged.

**Customers Impacted:** This affects all Time & Expense clients. **Workaround Before Fix:** None.

**Additional Notes:** None.

#### Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

#### To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

#### More Information:
