

## Hot Fix: cp711\_te\_admemplinfo\_002.zip

### 10.0/Administration/AD/ADMEMPLINFO

#### Deltek Defect Tracking Number:

825889

#### Issues Resolved:

**Description:** When Costpoint Multi-Company was not enabled, UDT06 and UDT07 were disabled in the Pay Methods subtask of the Manage Resource Information screen. Since Multi-Company was not enabled, Company 1 should have been the default, which would have allowed users to select from UDT06 and UDT07 lookups before saving.

**Customers Impacted:** This defect affects all Time & Expense customers.

**Workaround Before Fix:** You had to add a pay method that did not include UDT entries. After saving, Company 1 defaulted, and the UDT06 and UDT07 lookup fields were enabled.

**Additional Notes:** None.
