**Hot Fix:** cp711\_aopcmdat\_010.zip

#### **OTHERS/PRODUCT INTERFACES/AOPCMDAT/Transfer GovWin CM Data**

[Deltek Defect Tracking Number:](#)

[Issues Resolved:](#)

**Description:** The integration transferred the entire project tree for the PSR update when the **Use Last Process Time Stamp** check box was selected. As a result, it took a long time to process the updates in GovWin Capture Management. To minimize the time it takes to update the data, the integration should only send records that need to be updated in GovWin Capture Management and not the whole project tree.

**Customers Impacted:** This defect affects Costpoint to GovWin Capture Management Integration users.

**Workaround Before Fix:** None

**Additional Notes:** None.

- Project Basic (PROJ\_BASIC)

**Customers Impacted:** This defect affects Costpoint to GovWin Capture Management Integration users.
