Overview

Welcome to Deltek Budgeting & Planning 6.0 Release Notes. These release notes contain summaries of the major enhancements made to the product.

For Additional Information

Customer Care Connect Site

The Deltek Customer Care Connect site is a support Web site for Deltek customers who purchase an Ongoing Support Plan (OSP).

The following are some of the many options that the Customer Care Connect site provides:

- Download the latest versions of your Deltek products
- Search Deltek's knowledge base
- Display or download product information, such as release notes, user guides, technical information, and white papers
- Submit a support case and check on its progress
- Transfer requested files to a Customer Care analyst
- Use Quick Chat to submit a question to a Customer Care analyst online
- Ask questions, exchange ideas, and share knowledge with other Deltek customers through the Deltek Connect Customer Forums
- Subscribe to Deltek communications about your products and services
- Receive alerts of new Deltek releases and hot fixes

For more information regarding Deltek Customer Care Connect, refer to the online help available from the Web site.

Access Customer Care Connect

To access the Customer Care Connect site, complete the following steps:

1. Go to <https://support.deltek.com>.
2. Enter your Customer Care Connect **Username** and **Password**.
3. Click **Log In**.

If you forget your username or password, you can click the **Account Assistance** button on the login screen for help.

Major Enhancements

This section includes the major enhancements made to Deltek Budgeting & Planning.

Renaming and Rebranding of eProMT

- If you are a Costpoint user, eProMT has been renamed to Deltek Costpoint Budgeting & Planning.
- If you are a GCS Premier user, eProMT has been renamed to Deltek GCS Premier Budgeting & Planning.

Along with renaming, the product has been completely rebranded to match the other Deltek products.

New Navigation Page

The navigation page has been reorganized for ease of use. This new user interface is the same for both Costpoint and GCS Premier. The screen shot below is from Costpoint Budgeting & Planning.

Microsoft .NET 3.5 Framework

The entire product has been rewritten to take advantage of Microsoft .NET 3.5 Framework.

Spread for Web Improvements

Improvements have been made to the logging and messaging within SFW.

Managing Budget Groups

The following improvements have been made to managing Budget Groups:

- Detailed instructions added to the user interface
- Revised view of Budget Group members

Reports

The numerous reports in Budgeting & Planning have been reformatted to match the new user interface.

Automatic Refresh Process

A new automatic refresh process has been added for both Costpoint and GCS Premier clients that improves the initial assignment of configuration settings and creates the necessary mapping tables to allow a self-install by the user. New users can now run reports immediately after the initial refresh process completes after the installation.

New Installation Wizard

Deltek Budgeting & Planning now includes a new automated installation and upgrading wizard.

For more information, refer to the *Deltek Budgeting & Planning 6.0 Installation Guide*.
