PJ/SM/SMMWRK/Manage Work Assignments

Deltek Defect Tracking Number:

620263

Issues Resolved:

Description: On the Vendor Employees subtask of the Charges subtask, you were able to select **Removed from work force** from the **Approval Status** drop-down list and save the record.

Customers Impacted: This defect affects Oracle and MSS users of Costpoint.

Workaround Before Fix: When you mistakenly selected the **Removed from work force** option, delete the row/line and reinsert it.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at https://deltek.custhelp.com.
