Deployment Date: 10/28/2019

Hot Fix: cp711_sys_058.zip

ACCOUNTING/ACCOUNTS RECEIVABLE/ARMOREC/Analyze Receivables and Collections

Deltek Defect Tracking Number:

1196327

Issues Resolved:

Description: An error occurred when you clicked the **Action** or **Execute** button while logged on as a user assigned to an Organization Security Group. This happened when the **Apply Org Security** check box is selected in the Organization Security Profile that is assigned to the Organization Security Group.

Customers Impacted: This defect affects you if you view receivables and collections in Costpoint.
Workaround Before Fix: In Manage Organization Security Profiles, select the profile assigned to the security group where the user belongs and clear the **Apply Org Security** check box.
Additional Notes: None.

Framework

Deltek Defect Tracking Number:

1162749

Issues Resolved:

Description: The My Menu star icon was not visible at the top left corner of Costpoint Classic Version.
Customers Impacted: This issue affected all Costpoint 7.1.1 users.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

Framework

Deltek Defect Tracking Number:

1191533

Issues Resolved:

Description: A new "Mobile QR code" link had to be added to the Costpoint login page. When you click the link, a QR code should display, allowing you to use a smartphone camera to open the login page on the smartphone, without typing the URL.
Customers Impacted: This enhancement affects all Costpoint 7.1.1 users.
Workaround Before Fix: None.
Additional Notes: None.

Framework/External Tools/SecurityProvider

Deltek Defect Tracking Number:

1196484

Issues Resolved:

Description: Costpoint is updated to support mobile application SAML authentication from third-party providers.
Customers Impacted: This issue affects Costpoint 7.1.1 mobile users.
Workaround Before Fix: None.
Additional Notes: CPWebSecurityProviders.jar is required.

cp711_sys_058.zip

Framework/Runtime/Server

Deltek Defect Tracking Number:

1157021

Issues Resolved:

Description: Approval workflow did not generate a notification to the escalated role.
Customers Impacted: This issue affects you if you use the approval workflow.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

cp711_sys_058.zip

Framework/Runtime/Client

Deltek Defect Tracking Number:

1166417

Issues Resolved:

Description: In the Manage Contracts application, the **Execute Top Query on Startup** check box on the Saved Queries tab in the Query window was no longer selected, after you previously selected it, causing the query to not run at start up.
Customers Impacted: This issue affects you if you use the Execute Top Query on Startup feature.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

cp711_sys_058.zip

Framework/Runtime/Client

Deltek Defect Tracking Number:

1180475

Issues Resolved:

Description: When you closed a fullscreen application with no other application open, then tapped the background, a blank screen with no user interface displayed.
Customers Impacted: Mobile customers who accidentally tapped the background of Costpoint after closing a fullscreen application with no other application open.
Workaround Before Fix: Restart the tab/browser.
Additional Notes: This issue occurred in portrait and landscape view in the Android Chrome and IOS Safari browsers, on the smartphone and iPad.

Files Updated:

cp711_sys_058.zip

Framework/Runtime/Server

Deltek Defect Tracking Number:

1183011

Issues Resolved:

Description: When you started the processes in the Create Project Report Tables (PJPCRRPT) application, Costpoint would hang and the processes would not complete.
Customers Impacted: This issue affects all Costpoint 7.1.1 customers.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

cp711_sys_058.zip

Framework/Runtime/Client

Deltek Defect Tracking Number:

1187979

Issues Resolved:

Description: When you entered data in table-view in the Manage Pay Types (LDMPAYTP) application, the message "Warning: Overtime Pay Types are normally set up as Recalculate, not as Include in Weighted Average Rate." displayed. To close the warning, you had to close the browser window. **Customers Impacted:** This issue affects all Costpoint 7.1.1 users.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

Framework/Runtime/Server

Deltek Defect Tracking Number:

1189520

Issues Resolved:

Description: Sqlserver reports sometimes produced different results when you executed them multiple times.
Customers Impacted: This issue affects you if you run Sqlserver reports.
Workaround Before Fix: Increase rptFetchSize in the enterprise.properties file to a very large value.
Additional Notes: None.

Files Updated:

cp711_sys_058.zip

Framework/Runtime/Client

Deltek Defect Tracking Number:

1196551

Issues Resolved:

Description: When you copied a deduction code, the application did not recalculate the total deduction or the net amount correctly.
Customers Impacted: This defect affects Costpoint Payroll users.

Workaround Before Fix: None.

Additional Notes: None.

Files Updated:

cp711_sys_058.zip

Framework/Runtime/Server

Deltek Defect Tracking Number:

1203476

Issues Resolved:

Description: Costpoint did not generate any report when you printed and/or previewed **SELECTED** and **UNSELECTED** invoices.
Customers Impacted: This defect affects MSS and Oracle users of Costpoint.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at https://deltek.custhelp.com.
