Deltek Defect Tracking Number:

616396

Issues Resolved:

**Description:** When you entered an invalid miscellaneous type and then you re-entered a valid one together with the unit price, but quantity and U/M were left blank, Costpoint displayed an error message. However, the error message you received did not relay the information you need to correct the error.

**Customers Impacted:** This defect affects Costpoint users.

**Workaround Before Fix:** Enter the correct miscellaneous type, quantity, and U/M when entering a cost value.

**Additional Notes:** None.
