Overview

Welcome to the Deltek Costpoint SaaS Release Notes. These release notes contain a summary of the Software Issues Resolved from hot fix 132 through hot fix 158.

Deltek Time & Expense with Employee Self-Service Hot Fix Notes

Released: June 29, 2016

Release Name: TE901B8 Hotfix#132

Software Issues Resolved

Administration

Product Configuration

General Configuration

Deltek Defect Tracking Number: 613077

Description: You experienced the following errors when managing Attachment Types for the non-default locale:

- When you viewed an Attachment Type, the Description column displayed the label assigned to the default locale.
- When you edited the Attachment Type, the Description column of the default locale was updated instead.
- When you added a new locale, Attachment Type labels were not generated for it.

Customers Impacted: This defect affects all Time & Expense customers.

Workaround Before Fix: None.

Additional Notes: None.

DelteK Time & Expense with Employee Self-Service Hot Fix Notes

Released: September 20, 2016

Release Name: TE901B8 Hotfix#148

Software Issues Resolved

Time

Audit

DelteK Defect Tracking Number: 708081

Description: Time & Expense now allows you to configure the batch size of workflow emails, enabling to control how many emails are sent within one connection to the SMTP server.

Customers Impacted: This change affects all Time& Expense customers.

Workaround Before Fix: None.

Additional Notes: This hot fix contains a system properties file that enables you to modify the batch size. Select zero (0) to leave the batch size as unlimited, or to set a specific batch size, select any positive integer.

Deltek Time & Expense with Employee Self-Service Hot Fix Notes

Released: November 07, 2016

Release Name: TE901B8 Hotfix#158

Software Issues Resolved

Time

Record Time

Timesheet

Overall

Deltek Defect Tracking Number: 719624

Description: When you loaded the timesheet of a terminated employee, you received an unexpected error but no indication of the problem. To correct this, the error message now indicates that the timesheet date is later than the termination date.

Customers Impacted: None.

Workaround Before Fix: None.

Additional Notes: None.
