Deployment Date: 9/27/2019

Hot Fix: cp711_sys_057.zip

ACCOUNTING/ACCOUNTS PAYABLE/APMVEMPL/Manage Vendor Employees

Deltek Defect Tracking Number:

1165610

Issues Resolved:

Description: You were unable to save changes in the Expense Class fields on the Labor Information and History subtask.

Customers Impacted: This defect affects you if you manage vendor employees in Costpoint.
Workaround Before Fix: Manually enter the information in the Time and Expense domain.
Additional Notes: When you saved a modified record, the updated values in the Expense Class fields reverted to the previous value. When you saved a new record, the values of the fields were deleted.

Framework

Deltek Defect Tracking Number:

1165285

Issues Resolved:

Description: When you modified and saved parameters, the newly entered email address did not save in the Print Option.
Customers Impacted: This issue affected all Costpoint 7.1.1 users.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

cp711_sys_057.zip

Framework

Deltek Defect Tracking Number:

1171020

Issues Resolved:

Description: SAML login through REST API might have failed due to the incorrect URL decoding of RelayState parameter under conditions.
Customers Impacted: This issue affected MobileTouch users only.
Workaround Before Fix: None.
Additional Notes: CPWebSecurityProviders.jar is required.

Files Updated:

CPWebSecurityProviders.jar 351 KB 9/10/2019 4:02amcp711_sys_057.zip

Framework/Runtime/Client

1163117

Issues Resolved:

Description: A Critical Syustem Error occurred when you opened the Alternate File Location lookup.
Customers Impacted: This issue affects all Costpoint 7.1.1 users.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

MATERIALS/ENGINEERING CHANGE NOTICES/ECMECN/Maintain ECNs

Deltek Defect Tracking Number:

1167836

Issues Resolved:

Description: When **Separate Items by Company** was selected, the part/items were still available in multiple companies.
Customers Impacted: This defect affects Costpoint users.
Workaround Before Fix: None.
Additional Notes: None.

Files Updated:

cp711_sys_057.zip

MATERIALS/INVENTORY/INMSRLT/Serial_Lot Maintenance

Deltek Defect Tracking Number:

1145562

Issues Resolved:

Description: On the Manage Serial/Lot Information screen, you were allowed to delete a row for a serial number, which set invoice quantity out of sync with the serial lot quantity.
Customers Impacted: This defect affects Costpoint users.
Workaround Before Fix: Reverse the transactions and re-enter them.
Additional Notes: None.

PJ/PJ/PJMWORK/Project Employee Work Force

Deltek Defect Tracking Number:

1132686

Issues Resolved:

Description: Costpoint has been updated to implement the following change: If a project is set up to use top-level work force and Export Project is set to None in Manage Project User Flow, when a PROJ_EMPL_LAB_CAT record is deleted for that top-level project, a record must be written to the DEL_PROJ_E_LAB_CAT table. Without the DEL_PROJ_E_LAB_CAT record, the Export Data To Deltek Time and Expense application will not be triggered to delete the Charge Tree records for the deleted top-level project.Customers Impacted: This change affects clients who set up projects to use top-level work force and do not export the top level of the project to Deltek Time & Expense.Workaround Before Fix: Manually delete Charge Tree records in Deltek Time & Expense.Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at https://deltek.custhelp.com.
