PEOPLE/LABOR/LDPDUMTS/Create Auto-Pay Timesheets

Deltek Defect Tracking Number:

913925

Issues Resolved:

Description: When you selected the **Auto-Adjust** check box and ran the process to create timesheets with Overtime pay type, the Manage Timesheet screen indicates that the created record was auto-adjusted (**Auto-Adjusted** check box was selected). In this scenario, the timesheet's **Auto-Adjusted** check box should not display as selected since the application does not allow Overtime pay types to be auto-adjusted.

Customers Impacted: This defect affects Costpoint Labor users.
