

Deployment Date: 3/4/2019

Hot Fix: cp711_ldmtcorg_004.zip

PEOPLE/LABOR/LDMTCORG/Time Collection Organizations

Deltek Defect Tracking Number:

894136

Issues Resolved:

Description: When you are licensed for Time Collection Version 5 or above and/or licensed for Employee Expense Version 6 or above, the **Export to Deltek Time and Expense** buttons should be enabled. The **Export to Time and Expense** buttons were disabled under these conditions.

Customers Impacted: This defect affects Costpoint users who export to Time and Expense.

Workaround Before Fix: Use one of the following options as a workaround:

- **Option 1** — On Corporate Labor Settings subtask of the Configure Labor Settings screen, select an option that is not **Time & Expense 10.x+** from the **Version** drop-down list in the **Deltek Time & Expense** group box.
- **Option 2** — Select the **Export to Time Collection** check box on the Manage Organization Structures screen or Manage Organization Elements screen.

Additional Notes: None.

PEOPLE/LABOR/LDMTCORG/Time Collection Organizations

Deltek Defect Tracking Number:

1032617

Issues Resolved:

Description: The screen contained the following issues:

- The screen table title should be "Organizations" instead of "Time Collection Organizations."
- The subtask title should be "Mass Update Organizations" instead of "Time Collection Organization."
- The Mass Update Org group box should be removed.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.

b. Click Download at the bottom of the screen.
