

Deployment Date: 12/13/2017

Hot Fix: cp711_emmehsa_003.zip

PEOPLE/EMPLOYEE/EMMEHSA/Manage Employee HSA Elections

Deltek Defect Tracking Number:

843386

Issues Resolved:

Description: If the election start date is less than the open pay period end date, the remaining periods should be calculated as the number of periods between the open pay period and the end of the FSA year. Otherwise, the remaining periods should be calculated as the number of periods between the election start date and the end of the FSA year.

Customers Impacted: This defect affects Costpoint Employee users.

Workaround Before Fix: Use the Update Employee Package Deductions screen.

Additional Notes: This hotfix requires Costpoint 7.1.1 PATCH3207.

cp711_emmehsa_003.zip

PEOPLE/EMPLOYEE/EMMEHSA/Manage Employee HSA Elections

Deltek Defect Tracking Number:

845879

Issues Resolved:

Description: The application allowed you to set up deduction to be set up when the actual record was yet not saved. The application should only allow you to set up a deduction record for existing rows that are not being edited.

Customers Impacted: This defect affects Costpoint Employee users.

Workaround Before Fix: None.

Additional Notes: When you enter a new record or change an existing record, you must save the record to enable the **Update** action button. This hotfix requires Costpoint 7.1.1 PATCH3207.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
