Deployment Date: 1/31/2018

Hot Fix: cp711_wfmaemail_002.zip

OTHERS/WORKFLOW/WFMAEMAIL/Approval Workflow Email Messages

Deltek Defect Tracking Number:

818757

Issues Resolved:

Description: The **Start Approval** button did not work when there were multiple email addresses set up for the **From email Address** field in the Approval Workflow Email Messages application. The said button did not also work when the email address was not in the correct format.

Customers Impacted: This defect affects you if you set up approval workflow email messages in Costpoint.

Workaround Before Fix: Set up only one email address for the **From email Address** field on the Approval Workflow Email Messages screen.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at https://deltek.custhelp.com before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to https://dsm.deltek.com.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.
