MATERIALS/PURCHASING/POPPOVCH/Create PO Vouchers from POs_Receipts

[Deltek Defect Tracking Number:](#)

918080

[Issues Resolved:](#)

Description: When a purchase order (PO) voucher was automatically made in lieu of a previously rejected or replaced quantity, there was an imbalance between the quantity ordered and received. This error happened when the **Voucher Approvals Upon Receipt** check box was selected.

Customers Impacted: This defect affects you if you create PO vouchers from POs and receipts in Costpoint and there are rejected or replaced quantities in the purchase order.

Workaround Before Fix: None.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
