

Deployment Date: 8/24/2016

Hot Fix: cp711_sys_020.zip

ACCOUNTING/ACCOUNTS PAYABLE/APMVNLAB/Vendor User-Defined Labels

[Deltek Defect Tracking Number:](#)

623822

[Issues Resolved:](#)

Description: An error message was displayed when user-defined labels were deleted and new ones were added. The message was not informative and contained table and column names, ampersands, and break indicators.

Customers Impacted: This defect affects you if you manage vendor user-defined labels in Costpoint.

Workaround Before Fix: None.

Additional Notes: The error message was changed to provide more useful information.

PEOPLE/LABOR/LDMTIME/Enter Timesheets

Deltek Defect Tracking Number:

600934

Issues Resolved:

Description: If you entered a regular pay type or cost-only timesheet line with zero hours, the **Labor Amount** field on the timesheet header did not display the labor total of the timesheet. The field only displayed the labor total after saving the record. In Costpoint 7.0.1, the application populated the **Labor Amount** field as you added lines with or without hours.

Customers Impacted: This defect affects Costpoint Labor users.

Workaround Before Fix: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:

If you have any questions, please contact Deltek support at <https://deltek.custhelp.com>.
