For Additional Information

Customer Care Connect Site

The Deltek Customer Care Connect site is a support Web site for Deltek customers who purchase an Ongoing Support Plan (OSP).

The following are some of the many options that the Customer Care Connect site provides:

- Download the latest versions of your Deltek products
- Search Deltek's knowledge base
- Display or download product information, such as release notes, user guides, technical information, and white papers
- Submit a support case and check on its progress
- Transfer requested files to a Customer Care analyst
- Use Quick Chat to submit a question to a Customer Care analyst online
- Ask questions, exchange ideas, and share knowledge with other Deltek customers through the Deltek Connect Customer Forums
- Subscribe to Deltek communications about your products and services
- Receive alerts of new Deltek releases and hot fixes

For more information regarding Deltek Customer Care Connect, refer to the online help available from the Web site.

Access Customer Care Connect

To access the Customer Care Connect site, complete the following steps:

1. Go to <https://deltek.custhelp.com>.
2. Enter your Customer Care Connect **Username** and **Password**.
3. Click **Log In**.

If you forget your username or password, you can click the **Account Assistance** button on the login screen for help.

Software Issues Resolved

These release notes contain a summary of the defects included in this release.

ID	Description
168921	<p>Description: When employees were using cross charging, the initialization and the current year processes were not following the THF_DIV_LAB_NUM for labor, but were instead following the Employee Master.</p> <p>Customers Impacted: This defect affects you if you use versions 6.0.2, 6.0.3, 6.0.4, 6.0.5, and 6.0.6.</p> <p>Workaround Before Fix: None.</p> <p>Additional Notes: None.</p>
