

Deployment Date: 10/14/2015

Hot Fix: cp711_pcmrelmo_008.zip

MATERIALS/PRODUCTION CONTROL/PCMRELMO/Relieve Manufacturing Orders

[Deltek Defect Tracking Number:](#)

498611

[Issues Resolved:](#)

Description: When you relieved/updated a rework or customer repair manufacturing order (MO) for a buy item, the MO-Serial Lot Info subtask allowed manual entry of the serial number and when loaded showed **Order Type** as **Manufacturing Order** and displayed the purchase order (PO) number, but when saved, the **Order Type** was changed to **Purchase Order**.

Customers Impacted: This defect affects Costpoint Materials users.

Workaround Before Fix: None.

Additional Notes: None.

MATERIALS/PRODUCTION CONTROL/PCMRELMO/Relieve Manufacturing Orders

[Deltek Defect Tracking Number:](#)

543780

[Issues Resolved:](#)

Description: You were unable to enter a shelf life for an extendable or non-extendable item being relieved into stock from the manufacturing order (MO).

Customers Impacted: This defect affects Costpoint Materials domain users.

Workaround Before Fix: Do the following:

1. Delete the serial/lot line.
2. On the MO-Serial/Lot Info subtask, create the lot number, add the quantity, and the expiration date.
3. Go back to the MO relief screen and input the same lot number.

The system then accepts the transaction, closes the MO and sends the inventory to the inventory module or issues to the next MO as desired by the user.

Additional Notes: None.

Custom Programs Affected:

Sometimes a hot fix can cause custom programs and reports to stop working as expected. Before applying this hot fix, consider whether you have any custom programs or reports in the application area affected by the hot fix. If so, contact Deltek support at <https://deltek.custhelp.com> before you install the hot fix.

To Download the Hot Fix:

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click Run Deltek Software Manager.
3. Log in using your Deltek Customer Care Connect credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hotfix folder for your product, and select the hotfix to download.
6. Click Download at the bottom of the screen.

More Information:
