

Deltek Costpoint Hot Fix Readme

Release Date: August 31, 2018

FAR and DFARS Updates

Enhancements have been made to the Manage DFARS Library screen to enable you to track other supplemental regulation clauses/provisions in addition to Federal Acquisition Regulation (FAR) and Defense Federal Acquisition Regulation Supplement (DFARS) clauses/provisions, and associate these clauses/provisions to contracts and subcontracts. Some subtasks on the Manage Contracts and Manage Subcontracts screens have also been updated with additional fields that can provide adequate information about the clauses/provisions that apply to contracts and subcontracts. This information can help you determine whether you have the correct version of the clause or provision.

Screen Updates

Manage Supplemental Regulations Library (CTMDFAR)

Previously named Manage DFARS Library, this screen is now labeled as Manage Supplemental Regulations Library to cover clauses from both DFARS and other agencies.

A new column, **Agency**, is added to this screen, which you can use to enter the agency who issued the supplemental regulatory clause. The **DFARS Clause Number** column has also been renamed to **Clause Number**.

Manage Contracts (CTMCNTR)

The following fields are now available on the FAR Clauses/Provisions subtask:

- **Description from Contract** — Enter the FAR clause/provision description from the contract.
- **Page No** — Enter the page number where the FAR clause/provision is located within the contract.
- **Effective Date** — Enter, or use calendar to select, the effective date of the FAR clause/provision.

These are the changes to the Supplemental Regulations subtask:

- Previously labeled as DFARS Clauses, this subtask is now named Supplemental Regulations to cover clauses from both DFARS and other agencies.
- The following fields have been renamed:
 - From **Copy DFARS Clauses from** to **Copy Supplemental Regulations from**
 - From **DFARS Clauses** to **Supplemental Regulations**
 - From **DFARS Clause Number** to **Clause Number**
- The new fields on this subtask include:
 - **Agency** — Enter, or use lookup to select, the agency who issued the supplemental regulatory clause.

- **Description from Contract** — Enter the supplemental regulatory clause description from the contract.
- **Page No** — Enter the page number where the supplemental regulatory clause is located within the contract.
- **Effective Date** — Enter, or use calendar to select, the effective date of the supplemental regulatory clause.

Manage Subcontracts (CTMSBCNTR)

The following fields are now available on the FAR Clauses/Provisions subtask:

- **Send to PO** — Select this check box if the FAR clause/provision should flow to the purchase order associated with the subcontract.
- **Description from Contract** — Enter the FAR clause/provision description from the contract.
- **Page No** — Enter the page number where the FAR clause/provision is located within the contract.
- **Effective Date** — Enter, or use calendar to select, the effective date of the FAR clause/provision.

These are the changes to the Supplemental Regulations subtask:

- Previously labeled as DFARS Clauses, this subtask is now named Supplemental Regulations to cover clauses from both DFARS and other agencies.
- The following fields have been renamed:
 - From **Copy DFARS Clauses from** to **Copy Supplemental Regulations from**
 - From **DFARS Clauses** to **Supplemental Regulations**
 - From **DFARS Clause Number** to **Clause Number**
- The new fields on this subtask include:
 - **Send to PO** — Select this check box if the regulatory clause should flow to the purchase order associated with the subcontract.
 - **Agency** — Enter, or use lookup to select, the agency who issued the supplemental regulatory clause.
 - **Description from Contract** — Enter the supplemental regulatory clause description from the contract.
 - **Page No** — Enter the page number where the supplemental regulatory clause is located within the contract.
 - **Effective Date** — Enter, or use calendar to select, the effective date of the supplemental regulatory clause.

System Requirements

This enhancement requires the following:

- PATCH3466
- PATCH3497
- PATCH3499
- PATCH3513

Application JAR Requirements

The following table lists the Costpoint 7.1.1 screens affected by this update. It includes the required JAR version for each application, if applicable.

Domain	Module	Application ID	Application Name	Application File
Contracts	Contract Management Controls	CTMDFAR	Manage Supplemental Regulations Library	cp711_ctmdfar_003.zip
Contracts	Contract Management Controls	CTMAGENC	Manage Agencies	cp711_ctmagenc_002.zip
Contracts	Contracts	CTMCNTR	Manage Contracts	cp711_ctmcntr_008.zip
Contracts	Contracts	CTMSBCNTR	Manage Subcontracts	cp711_ctmsbcntr_009.zip

More information about this release is on the following page.

Custom Programs Affected

Sometimes an update can cause custom programs and reports to stop working as expected. Before applying this update, consider whether you have any custom programs or reports in the application area affected by the update. If so, contact Deltek Support Center at <https://deltek.custhelp.com> before you install the update.

To Download the Hot Fix/Feature Update

1. From Internet Explorer, go to <https://dsm.deltek.com>.
2. Click **Run Deltek Software Manager**.
3. Log in using your Deltek Support Center credentials.
4. In the left pane of the Deltek Software Manager, expand your Deltek product.
5. Expand the Hot Fixes folder for your product, and select the update to download.
6. Click **Download** at the bottom of the screen.

To Install the Hot Fix/Feature Update

Refer to the installation instructions posted on Deltek's Support Center site, <https://deltek.custhelp.com>.

- For Costpoint 7.1.1 updates, refer to Knowledge Base article 79232.
- For Costpoint 7.0.1 updates, refer to Knowledge Base article 73769.
- For Costpoint 7.0 updates, refer to Knowledge Base article 67722.

Before you install this update, please review all previous updates in the Knowledge Base article. You may need to install prerequisite programs or database patches (described in the Knowledge Base article) prior to installing this update. Note that when you download an update using Deltek Software Manager (DSM), all dependent files are automatically downloaded.

To Check to See if the Hot Fix is Installed

1. Open the application that was updated.
2. Click **Help » About Costpoint** from the Costpoint toolbar. This will display a screen that shows you the latest update JAR for the application that is open, as well as the latest system JAR and all patches applied to the system.

To Check to See if the Feature is Installed

1. Click **Help » About Costpoint** from the Costpoint toolbar.
2. Open the Features subtask and click the Feature that was just installed.
3. Open the Applications subtask. Check the list of applications and their corresponding application jars and see if they are correct and have been successfully deployed (highlighted in green).
4. Open the Patches subtask. Check the list of patches and see if they are correct and have been successfully deployed (highlighted in green).

Note: Most of the features installed have their corresponding patches, but not all.

Appendix: For Additional Information

Deltek Support Center

The Deltek Support Center is a support Web site for Deltek customers who purchase an Ongoing Support Plan (OSP).

The following are some of the many options that the Deltek Support Center provides:

- Search for product documentation, such as release notes, install guides, technical information, online help topics, and white papers
- Ask questions, exchange ideas, and share knowledge with other Deltek customers through the Deltek Support Center Community
- Access Cloud-specific documents and forums
- Download the latest versions of your Deltek products
- Search Deltek's knowledge base
- Submit a support case and check on its progress
- Transfer requested files to a Customer Care analyst
- Subscribe to Deltek communications about your products and services
- Receive alerts of new Deltek releases and hot fixes
- Initiate a Chat to submit a question to a Customer Care analyst online

Attention: For more information regarding Deltek Support Center, refer to the online help available from the Web site.

Access Deltek Support Center

To access the Deltek Support Center:

1. Go to <https://deltek.custhelp.com>.
2. Enter your Deltek Support Center **Username** and **Password**.
3. Click **Login**.

Note: If you forget your username or password, you can click the **Need Help?** button on the login screen for help.
