**PEOPLE/LABOR/LDPDUMTS/Create Auto-Pay Timesheets**

Deltek Defect Tracking Number:

1008904

Issues Resolved:

**Description:** There was no auto-pay timesheet created for an employee when its applicable salary records ended exactly on the date of the timesheet.

**Customers Impacted:** This defect affects you if you create auto-pay timesheets in Costpoint.

**Workaround Before Fix:** Select a date on screen that is one day before the Salary Info's end date. For example, if the Salary Info end date is 06/30/2018, select 06/29/2018. This will create all applicable timesheets.

**Additional Notes:** None.
